JOHN C. BAKER SHOOTING HIMSELF

Makes Determined Effort to Commit Suicide Owing to Despondency—May Recover.

OGDEN STAKE CONFERENCE.

All Preparations Made for Entertaining G. A. R. Veterans—Pickpocket Caught—News Briefs.

OGDEN, Aug. 9.—In a determined attempt to kill himself last midnight, John C. Baker shot himself in the breast four times, at his home, 237 Twenty-eighth street. Dr. E. M. Conroy, who was called in, thinks the man has a chance to recover, as none of the bullets seems to have penetrated a vital organ. Baker is a married man and runs a pool room on Twenty-fifth street. He is well known in the city and well liked. Despondency over business matters caused him to attempt suicide.

At 10 o'clock today the man was in a critical condition.

OGDEN STAKE CONFERENCE.

OGDEN, Aug. 9.—The quarterly conference of the Ogden stake was held at the tabernacle yesterday with three very largely attended sessions. The morning and afternoon sessions were devoted to the general conference and the evening session to a joint session of the Y. M. and Y. W. M. L. associations.

At the morning session the speakers were Dr. Joseph R. Morrell, George E. Ferrin of Huntsville, Bishop Francis E. Bingham of the Middleton ward, Bishop Arthur L. Ferrin of the Liberty ward.

PREPARED TO ENTERTAIN G.A.R.

OGDEN, Aug. 9.—The rainstorm yesterday afternoon and last evening while ruining the decorations on the main buildings of the city, did not dampen the enthusiasm that the citizens of Ogden are showing in decorating and preparing for the veterans of the great war. Early this morning the decorations which were destroyed by the rain were brought down and new decorations were substituted. Every store, business house and many residences have responded to the request of the committee to decorate. The decorations throughout the city are the best ever shown.

The general headquarters of the G. A. R. is in the council chamber at the city hall. The mayor's office is the bureau of information with many young ladies in charge. The ladies of the G. A. R. have opened headquarters in the municipal judges' office in the city hall. The Women's Relief corps has established headquarters and a bureau of information in the National Guard armory.

The various committees having in charge the local phase of the encampment are amply able to take care of between 6,000 and 7,000 veterans who visit the city during the coming week. The street car company has stated that it will make extra trips to take visitors on its many lines including the line up Ogden canyon.

COMMANDER NEVUS ARRIVES.

Saturday evening at the union depot Commander-in-Chief Nevus arrived, his party were given a royal welcome by the local posts of the G. A. R., and the auxiliary organizations, who headed by a band marched to the depot. When the train with the commander rolled into the depot a salute was fired by the Spanish war veterans and the band rendered a number of patriotic selections. Commander Nevus and his party received the local veterans heartily and expressed his pleasure at being back to Utah. He left on a special train for Salt Lake after a 30-minute stop.

PICKPOCKET CAUGHT.

OGDEN, Aug. 9.—A woman who gives her name as Mrs. Gault, while walking down Twenty-third street last night, with a companion, grabbed a watch from a man who was passing. The man recovered his watch and gave chase to the woman's companion, but failed to catch him. Officers Pender and Layne arrested the woman, and she is now in the city jail.

PETERSON HOME BURGLARIZED

OGDEN, Aug. 9.—Burglars entered the home of A. Peterson, 263 Twenty-first street late last night, and 25 cents stolen. The burglars overlooked \$120 in one place and \$65 in another.

BOUND TO DISTRICT COURT.

OGDEN, Aug. 9.—Watt Rees had his preliminary hearing this forenoon before Judge Murphy, charged with a statutory offense, and at its conclusion was held to answer to the district court. In default of \$1,000 bonds he was remanded to the county jail.

GRAND LARCENY CHARGED.

OGDEN, Aug. 9.—Complaints charging Tom Hildebrand and Tom McCart with grand larceny have been filed in the district court by the district attorney. The two men were arrested about a week ago while attempting to pick the pockets of passengers on the Bamberger road between the Lagoon and Ogden. John Reed and E. Mitchell, believed to be members of a gang of pickpockets operating in Ogden and Salt Lake, have been arrested by the

SCHOOLS OPEN SEPT. 7.

OGDEN, Aug. 9.—The board of education has decided to open the school Tuesday, Sept. 7. The opening day was decided upon, as the 6th will be Labor day.

RESORT DISREGARDS LAW.

OGDEN, Aug. 9.—The proprietors of Idlewild in Ogden canyon, were arrested yesterday afternoon by Deputy Sheriff P. J. Naylin for selling liquor. So far as reported this was the only violation of the Sunday law in the canyon, the other resorts obeying the orders of the sheriff to keep closed.

Sheriff Wilson said yesterday that he intended to carry out his order to the letter, that the resorts might get off with fines for the first offense, but that if they persisted in disobeying the order he kept closed he would have their licenses revoked by the county commissioners.

JUNCTION CITY BRIEFS.

Gertrude, the infant daughter of Richard and Gertrude Packett Holsrock, died at the family home, 539 Twenty-fourth street, this morning. Her funeral was held at the home this morning.

A brush fire broke out in the foothills above Ogden canyon Saturday morning and for a time it threatened the resort. A number of men went into the hills and fought it back, thus averting the danger. The shower in the evening quenched the flames.

WARM PROHIBITION CAMPAIGN IN PROVO.

Temperance Forces and Liquor Interests Arriving Forces for Battle Royal.

(Special Correspondence.)

PROVO, Aug. 9.—The prohibition campaign in the city election this fall promises to become interesting. Just what action will be taken by the two parties is not known, but it is probable that both parties will declare for prohibition or that the people will vote for and against prohibition, and in the event of the majority favoring prohibition, of which there is no doubt, then whichever party wins will enact a prohibition ordinance. Just what the liquor interests and the anti-prohibitionists will do is not known, but they will not be idle. The saloon men of the county met last week in Pleasant Grove and organized for the campaign. They have employed counsel and will be prepared to take advantage of every chance for continuing their business.

The prohibitionists have petitioned the county commissioners to cease issuing licenses after the first of the year. This they are willing to do, but the decision rendered by Judge Howell in the case of D. A. Smith vs. the Morgan county commissioners seems to uphold the theory that county commissioners, though having full power to regulate and raise the license to prohibitive bounds, cannot refuse a license except for cause, although it will take a supreme court decision to settle the question. If it is decided that the county commissioners are compelled to issue a license, the fee will probably be made so high that not many will care to go into the business. And when the next legislature is elected the prohibitionists have hopes of electing men who will enact prohibition laws.

FATAL HORSE DISEASE.

PROVO, Aug. 9.—Several horses on Provo Bench and vicinity have died from what local veterinarians have pro-

nounced spinal meningitis. Two autopsies have been made, and in one indication of spinal meningitis were found in the spine but none in the brain, and no indication of the disease was found in the other case. Investigations are being made by the state veterinary board and it has not yet been decided whether the disease is caused by climatic conditions or by some poisonous weed that ripens or is poisonous about this time. Representatives of the bureau of animal industry now in the state have been directed from Washington to co-operate with the state board in investigating the cause of the disease, finding a remedy.

UTAH COUNTY BUSINESS.

PROVO, Aug. 9.—The road supervisors of the county met with the county commissioners Saturday, and the matter of their duties under the new state law was thoroughly gone over.

The following tax levy for 1909 was made:

General purposes, 4 mills.

County school purposes, 2½ mills.

Special on the valuation of horses and cattle outside of incorporated cities and towns, 1 mill.

Special on the valuation of sheep and goats, outside of incorporated cities and towns, 1 mill.

This special levy is for the payment of bounties on wild animals and is levied on the valuation of animals which are protected. But it works an injustice on owners of domestic animals (not range animals) owned in the county, who are assessed while owners of the same class of animals in cities and towns are not assessed.

The county treasurer presented a statement showing the following balances on hand in county funds:

General fund \$3,817.52

County school fund 45.92

County superintendent's contingent fund 405.17

Judges and witnesses fund 321.80

The resignation of W. E. Rydalen, assistant county attorney, was accepted. The resignation was tendered for the reason that Mr. Rydalen's private law practice takes all his time.

MARRIAGE PERMITS.

PROVO, Aug. 9.—Marriage licenses have been issued to the following couples:

S. G. Benlams of Park City, and Thelma Katherine Barker.

Foorn R. Gray and Lella Wilson, both of Payson.

MISS JEFFERSON'S RECITAL.

PROVO, Aug. 9.—Miss Florence Jepperson of this city, who has a statewide reputation as a vocalist, will give a musical recital about the 13th of the month. Miss Jepperson graduated with high honors from the Boston Conservatory of Music, completing a four years' course in three years, and has a host of friends and admirers in this city and county, who will be pleased to make the recital a financial success. Its success from an artistic point is assured.

GARDEN CITY NOTES.

PROVO, Aug. 9.—Mr. and Mrs. R. H. Lenkert, English tourists who have spent several months in the United States, are at the Hotel Roberts. Mr. Lenkert is highly pleased with Provo and may decide to make some investments here.

Dr. D. H. Calder, Postmaster Cleave and Deputy State Game Warden Madison have gone to Pangulish lake with State Fish and Game Warden Chambers on a fishing trip. Owing to the fact that Salt Lake has so thoroughly covered the week with entertainment G. A. R. veterans, the Provo people who had the matter of inviting the

veterans to Provo on the 13th and providing a day of entertainment for them here, have decided not to extend the invitation for that day. The people, however, will entertain with lodging and meals any of the veterans who may come during the encampment week.

Some of the bad boys have forced rocks into several of the fire hydrants in such a way that they cannot be opened, and are useless in case of fire. Superintendent Holdaway is having the hydrants repaired as rapidly as possible, and an effort is being made to locate the boys, so that they may receive attention.

The petition of Mr. and Mrs. James Johnson to adopt Katherine Bosanko, a minor, was granted by Judge Booth.

MOVE TO CONSOLIDATE SCHOOLS OF SANPETE.

(Special Correspondence.)

MANTI, Sanpete Co., Aug. 7.—A movement is on foot to consolidate the schools of Sanpete county during this week. The matter was tabled until the next regular session, principally for the purpose of allowing the public to become acquainted with this new movement, and also that the citizens may have an opportunity to talk over the matter with the county commissioners.

The county infirmity improvement bids were opened by the county commissioners during their session this week. The successful bidders were Brand & Jacobson of Mt. Pleasant, their offer being \$5,012. Erickson & Clement of Fairview bid \$5,345, and J. G. Kilstrom of Ogden bid \$5,500. The infirmity is located at Fairview.

Three members of company F. N. G. U. will attend the contest at Camp Perry, O., during the year. They are Sergt. Maj. Nielsen, Quartermaster Buchanan and Private J. T. Hempe. They made an excellent showing at Fort Douglas last Saturday, where a contest was held. This company is in better shape than ever and promises to make an excellent record at the encampment this year.

A reunion of the Cox family of this county was held in the mountains between this county and Emery the past week. There were over 50 of the family gathered and spent a most excellent time.

During the coming week Miss Bertha Bessey of this city will be united in marriage to a young man from Ephraim. Miss Bessey is the daughter of Mr. and Mrs. Walter Bessey.

GUNNISON IS NOW AN INCORPORATED CITY.

(Special Correspondence.)

GUNNISON, Sanpete Co., Aug. 7.—A special election was held here last week to vote on the question of incorporating Gunnison into a city and to elect its first set of officers. Only 10 voted against the proposition while 30 voted for it. The officers are: Mayor, C. F. Christensen; treasurer, M. D. Bauregard; recorder, Clarence M. Childs; councilmen, A. Christensen, C. H. Madison, A. C. Bartholomew, H. M. Childs, J. S. Peterson; justice of the peace, Albert Swain. The city of Gunnison is forging ahead very rapidly and may soon be known as one of the largest cities in this county.
